PLACEMENT TEST AND PROGRESS APPEAL

Placement Test

New students upon completion of registration at ECI ELP are initially tested using a battery of tests that consists of the Interchange/Passages Objective Placement Test, Placement Conversation, and Placement Essay. The results are applied to the test correlation table to determine the appropriate level of the learner. The three parts in the test: an Objective Placement Test comprised of 70 multiple-choice items; 20 listening comprehension questions for assessment of the listening skills; 20 reading comprehension questions for assessment of reading comprehension proficiency and 30 languages use (grammar, structure, and usage) questions for assessment of the English grammar and usage ability. The scores and rating table indicate the level and writing proficiency of the test-taker:

Rating on Placement Tests	Corresponding Placement Recommendation	Rating on Placement Tests	Corresponding Placement Recommendation	Rating on Placement Tests	Corresponding Placement Recommendation
1-5	Beginning 1	24-30	Intermediate 1	50-55	Advanced 1
6-11	Beginning 2	31-36	Intermediate 2	56-61	Advanced 2
12-17	Beginning 3	37-42	Intermediate 3	62-68	Advanced 3

ECI Placement Test and Progress Appeal Policy

1. You have the right to view the results of your placement test and final test, respectively in a timely manner. This report will be in the form of a test report sheet that will contain: **your placement info; score on each subtest of the placement test and the total score. The final test will have the total score on the first page of the final test.**
2. You have the right to have your results on any portion of the placement and final test explained to you. For test security purposes, you will NOT be allowed to view the actual questions and answers you selected on the Placement Test. You will, however, be given an explanation of the subject matter you missed. For example, if you missed a grammar question, we will explain that to you. Ask to speak with the Program Coordinator and Admission Coordinator if you wish to request such an explanation.
3. You have the right to see the scoring rubrics used to grade the writing sub-test and your speaking sub-test. You may make an appointment with the ECI Program coordinator or Testing Coordinator to discuss how these rubrics are used to rate your performance. You have the right to review your essay from the writing portion of the exam and have your results explained to you. For test security purposes, you may NOT keep the essay. Ask the Program Coordinator to do this.
4. You have the right to **request** a re-test. You may make an appointment with the ECI Academic Coordinator or President explain your request. If it is determined that your reasons is valid, a re-test will be given at a time and place to be determined by the Academic Coordinator /President. All re-tests must be done within the first week of the session. **IF ECI Coordinator and President APPROVE THE REQUEST, YOU WILL BE ALLOWED TO RE-TAKE THE PLACEMENT TEST ONLY ONCE. If the appeal is found grounded you can re-take only once the Final Test.**

Grades

Letter Grades

In each class, the students' grades will be based upon the following grading scale:

Letter Grade	Percentage
A	90-100
B	80-89
C	70-79
D	60-69
F	59 and below

Students can view the grades by logging into their THINKWAVE account (ECI uses an online grading system called Thinkwave). The system shows all the assessments throughout the session.

Grade Scale Interpretation:

A grade of A in a class or any assessed aspect of a class/test means either that the student has achieved a numeric grade of 90% to 100% or has demonstrated excellence in this area.

A grade of B in a class or any assessed aspect of a class/test means either that the student has achieved a numeric grade of 80% to 89% or has demonstrated high proficiency in this area.

A grade of C in a class or any assessed aspect of a class/test means either that the student has achieved a numeric grade of 70% to 79% or has demonstrated acceptable proficiency in this area.

A grade of D in a class or any assessed aspect of a class/test means either that the student has achieved a numeric grade of 60% to 69% or has demonstrated low proficiency in this area.

A grade of F in a class or any assessed aspect of a class/test means either that the student has achieved a numeric grade of 59% or has demonstrated unacceptably low proficiency in this area.

Grade for each course based on 4 components

The grade for each course /session (level) will be based on the following components:

Final Test	40%
Mid-Term Test	30%
Quizzes (2 quizzes)	20%
Projects	10%

Mid-term and Final Exams-
GUIDELINES

The Midterm and Final Exams must be taken on the date they are scheduled to be administered. These two exams are rather comprehensive assessing all the skills: Listening, Speaking, Reading, Writing and Grammar. Thus, it is important that students show on time when the exams are scheduled.

Making up exams

The students will be allowed to make up the Mid term and Final exam in case of excused absence .

CLASSROOM RULES OF CONDUCT

1. When the class starts, English is the only language spoken in the classroom.
2. Sleeping is not permitted in class.
3. Cell phones must be turned on silent and only used in class at the teacher's discretion. Cell phone must not be used during exams/test
4. Food and drinks are not permitted in the classroom.
5. Always come to class prepared and on time.

Classroom rules of Conduct

STUDENT PROGRESS AND ASSESSMENT

Placement, Assessment, and Advancement

For placement purposes, students are initially tested using a battery of tests that consists of the Interchange/Passages Objective Placement Test, Placement Conversation, and Placement Essay. The results are then applied to the test correlation table to determine the appropriate level. The student's progress is measured throughout each session by tests, quizzes, projects, and reports.

ECI criteria for advancement to the next level are as follows: Students who achieve 70% and above advance without provision; students who achieve 60-69% can be advanced with the provision that they must achieve a minimum of 70% in the next session in order to be progressed into the subsequent level. These students are considered to be on academic probation. Students who achieve 59% or lower fail the level and must repeat the level.

Policy on failing 2 consecutive sessions

If a student fails (59% or lower) two consecutive sessions, he/she may be expelled or terminated. A meeting may be called to determine actions of resolution prior of the expulsion of the students. The student may be on academic probation based on the following criteria: a) Performance on Michigan Placement Test; b) Performance on both Integrated ESL Core classes and the Academic Elective Classes; c) Motivation; d) difficulties with acculturation; e) personal problems of the students at the time

Curriculum Levels

ESL 101 - Beginning English 1
ESL 102 - Beginning English 2
ESL 103 - Beginning English 3
ESL 104 - Beginning English 4

ELS 201 - Intermediate English 1
ELS 202 - Intermediate English 2
ESL 203 - Intermediate English 3
ESL 204 - Intermediate English 4

ESL 301 - Advanced English 1
ESL 302 - Advanced English 2
ESL 303 - Advanced English 3
ESL 304 - Advanced English 4

Each session is four (4) weeks long and corresponds to one of the levels above. ESL 101 assumes no prior knowledge of English and completion of ESL 304 indicated language-level readiness for entry into American academia. When a student is accepted into our Program, he/she is administered an initial placement test, and the results of the placement test will help E.C.I. to place each student in the appropriate level that corresponds with their knowledge of English at time of testing.

Quizzes, Tests, and Projects

There are 2 quizzes per session (per 4 week of studies). Quiz 1 is administered at the end of the 1st week of the session, and Quiz 2 is administered at the end of the 3rd week of the session. Quizzes are usually short reflecting the taught subject matter for the week they are administered for.

The Midterm Exam is administered at the end of the 2nd week of the session.

The Final Exam is administered at the end of the session(at the end of the 4th week of the session) The Midterm and Final exams are rather comprehensive encompassing all the skills : Listening, Speaking, Writing, Reading, Grammar. These two exams must be taken on the dates they are assigned to by the instructors/teachers.

Every session the teacher assigns a Project. The Project can be an oral presentation or presentation using technology.

Copying another student's information during taking the tests is dishonest and will not be tolerated.

MICHIGAN PLACEMENT TEST AS A DIAGNOSTIC TEST TO MEASURE PLACEMENT & PROGRESSION; ASSESSMENTS; COMPLETION OF THE PROGRAM

The Michigan Placement Test is an External Test and serves as a diagnostic to affirm the placement and progression of the student.

ECI ELP administers Michigan Placement Test as an external test every other session to confirm students’ placement level and to assess their achievement of the student learning outcomes for that period of studies. It is a diagnostic test that affirms the level placement and gauges the achieved learning outcomes, as well as progression for that period of time. If the class of a certain level achieves significantly lower score on any of the categories of MPT, then a tailored class may be suggested for that class with a consent of the faculty, program coordinator and president. Tailored class means that the students of that level will be assigned academic elective class to address the weakness.

ECI Level	General Level	Score Range
ESL 101	Low Beginner	0-6
ESL 102	Low Beginner	7-13
ESL 103	High Beginner	14-20
ESL 104	High Beginner	21-27
ESL 201	Low Intermediate	28-34
ESL 202	Low Intermediate	35-41
ESL 203	High Intermediate	42-49
ESL 204	High Intermediate	55-60
ESL 301	Low Advanced	61-70
ESL 302	Low Advanced	71-80
ESL 303	High Advanced	81-90
ESL 304	High Advanced	91-100

Assessments:

During the course of one session (4 weeks) the students are administered two quizzes, one midterm, and one final test. Quizzes constitute 10% each of the overall grade, the midterm is 30%, and the final exam is 40%. Students will also create an individual project constituting the remaining 10% of their overall grade. For ECI, authentic assessment is very important, thus students are assessed using oral presentation or participating in group presentations, debates, writing essays and reading academic texts.

Completion of the Program

ECI will keep data of how many students have completed the Program and achieved the highest advanced level coded ESL 304 thus meeting the admission requirements for university enrollment. Many universities will accept ECI’s highest Advanced Level in lieu of TOEFL or IELTS.

“Integrity without knowledge is weak and useless, and knowledge without integrity is dangerous and dreadful.”
[Samuel Johnson](#) (1709 - 1784)

Probation

A student may be placed on probation if a major offense has occurred (disrespect, illegal actions, violations of policies, etc.) or if a minor offense has occurred (his/her grades and/or attendance are very low). It is the decision of the president in consultation with the academic coordinator and faculty regarding the seriousness of the offense. If the student has been warned more than once or has committed a major offense, the student may be expelled from the program, and no refund will be given. The student has the right to file a grievance by submitting the grievance form. Information regarding the steps of the grievance procedure is available from the coordinator or the President. Briefly they include:

1. Coordinator issues verbal warning. If issues resolve; no further action.
2. Coordinator investigates grievance claims for validity. Complaint conference may be called.
3. From first verbal warning, the student has two days to file verbal and written report in his or her defense.
4. Within two days of receiving report, a hearing/meeting will be scheduled.
5. A decision will be made by the president or coordinator on what action, if any, will be taken.
6. The student may appeal. The appeal will be reviewed and answered within five days.

Absences and Tardiness

Students are required to attend all classes. According to the F-1 regulations in order to maintain the F-1 student status, students are to attend classes at a minimum of 85% of the given term of studies. That means that a student can miss no more than 3 days per session (1 session = 4 weeks = 100 instructional hours) A student must inform the Coordinator at least one day prior to being gone or absent. The class starts at 9:30AM Monday through Friday. If the student arrives in class after 9:45 he/she must report to the administration office in order to validate the lateness. The student may be allowed to enter the class immediately if there is a legitimate reason for being late (traffic jam, emergency situation, and the like). Otherwise the student will be given an assignment to work in the office lobby until the first break at 11:00 when he/she will be allowed to enter the class and will be counted absent for that part of the day. The classes finish at 2:30PM Monday through Friday.

Early class Departure

If the student departs the class early the student will be counted absent if he/she has not reported legitimate early departure reason to the office.

Permission for Reduced Course Load

If a student becomes ill while in the Program, an excuse from a licensed doctor or a licensed clinical psychologist will be required in order to obtain permission for a Reduced Course Load (RCL). The PDSO will then report the information into the student record in SEVIS. The student will have to provide a doctor's excuse every session (every 4 weeks) in order to keep the Reduced Course Load.

Leave of Absence (LOA)

F-1 visa student may be granted Leave Of Absence or vacation in accordance to the regulation of the Department of Homeland Security and in the emergency situation such as serious illness or death within the intermediate family. **The Leave of Absence in this case must not be extended beyond 8 weeks (The duration of the LOA must be minimum 4 and maximum 8 weeks)**

Vacation

F-1 students are eligible for vacation of once they have studied at E.C.I. for 26 academic weeks. During the summer break or winter break, as well as holidays, students may take vacation for the duration of the break but must return for the session following the break. The transferred students may be eligible for vacation after completing four (4) sessions at ECI and if their cumulative studies amount to 26 academic weeks at the time of the completion of 4 sessions. If a student plans to end or shorten ECI Program by returning to the home country or transferring to another school after their vacation, they may not apply for vacation. Instead they must return to their home country or start the transfer process.

The students that have studied at ECI for 16 weeks and will continue to attend the Program may be given a vacation of 4 weeks but they have to attend ECI classes after the vacation.

Vacation requests **must** be submitted to the Academic /Program Coordinator and PDSO using the E.C.I. Leave of Absence Form and appear in person by the Monday of the 3rd week of the current session.

Enrollment in two consecutive Program Cycles

ENROLLMENT IN TWO CONSECUTIVE PROGRAM CYCLES

ECI Program of study is 12 months. Students may re-enroll or extend the Program of studies **only for one more cycle (12 months more)** in the following situations:

- If the student is sponsored by a government agency and has not completed his/her academic goals for one Program of Study Cycle
- If a student has academic purpose to be fulfilled and needs additional time
- In these cases if the student ended the Program he/she must returned to his/her country to apply for a new visa. For re-enrollment or the student should ask for extension of Program

In both cases the decision will be made by the President , Program/Academic coordinator and also with the consultation of the faculty members. I

Optional 4 Superior English Courses After completion of ESL 304

ECI has developed 4 so called “Optional Superior Levels” integrated course to be offered to students who complete the Program (ESL304) but would like to continue in order to further strengthen their writing, language structure and academic reading skills while they are either completing the university enrollment or awaiting the start of the university term. These courses are ESL401; ESL 402; ESL 403; ESL 404. For each course there is a course description and Syllabus.

Cheating and Academic Integrity

Cheating is defined by The American Heritage Dictionary as acting dishonestly (1983). Each culture has a different idea of what cheating and acting dishonestly is and is not. It is important to understand the concept of cheating before accidentally doing it and not knowing. The following instances are considered cheating at the ECI English Language Program:

- Looking on another person’s paper and copying the work
- Copying information from another resource (book, magazine, library, internet, etc.) that is not yours and not telling where you got the information (need to use correct documentation and quotation rules; if not, it is considered plagiarism)
- Having or paying a friend to do an assignment
- Asking a friend for help on a test, project, quiz, or homework unless the teacher gives permission or assigns groups. A student should go to the teacher first for help.
- Sharing with another person or asking for information about a test, project, quiz, or homework
- Giving out or asking other students for copies of tests, projects, quizzes, or homework

None of these instances will be tolerated. If a student cheats, the teacher will give the student an automatic failing grade (F) on the assignment, and the student will be placed on academic probation. Students should always be honest and respectful while in the classroom. Students are expected to act in a professional manner at all times, just as the teacher is expected to do so

Plagiarism:

Copying another student’s work or taking information from an outside source and submitting it as your own is considered cheating and is a serious academic offense. All outside information must be cited and credit given to the original source. Plagiarism is intentionally or carelessly presenting the work of another as one’s own. It includes submitting an assignment purporting to be the student’s original work which has wholly or in part been created by another person. It also includes the presentation of the work, ideas, representations, or words of another person without customary and proper acknowledgement of sources. Students must consult with their instructors for clarification in any situation in which the need for documentation is an issue, and will have plagiarized in any situation in which their work is not properly documented. If plagiarized information is submitted, the instructor will likely give the assignment a failing grade. Your instructor will use the internet to check your papers and will easily find out if you have plagiarized, so DONT DO IT!

Policy of Copyright Infringement Unauthorized use/distribution of materials

All the students must abide by the provisions of United States Copyright Law (Title 17, Section 101). Students must copy all the works, creating derivative works and distributing or performing the works. It is necessary to assume that all works are copyrighted even if the copy right symbol does not appear on the work. **Students may not make additional copies of any copyrighted materials provided to them in the classroom.**

“Progress is sometimes followed by a comma, never by a period.”

The student receives the Academic warning with postulation to show improvement and regularly meet with the instructor and program director.

Attendance Warning

If the student shows irregular attendance, he/she will receive warnings. After the 3rd Warning the student will be terminated. Unless the student shows legitimate reason of hospitalization or alike.

The student has a right to view this material and obtain a copy if it is not confidential.

If the student does not want any directory information released, s/he must fill out a Request to Withhold Directory Information Form and submit it (this form is located in the program coordinator’s office). STUDENT COMPLAINT/GRIEVANCE PROCEDURES

Please refer to the following list to know whom to speak to with a complaint or grievance.

Grievance Area	Grievance Resource
Classroom Function	Instructor
Classmate	Instructor
Fees	Coordinator
Homestay	Coordinator
Discrimination*	Coordinator
Academic Policy	Coordinator
Immigration Issues	President

*Discrimination can be an action based on any of the following: race, color, religion, sex, national origin, sexual orientation, age, marital status, disabilities, ancestry, veteran’s status, or political affiliation.

Please keep in mind that whenever possible, all complaints should be resolved by the grievant (student) and the one that has caused the grievance. The administrators at the ECI English Language Program will only follow the formal process if the grievance is really valid. If it is not possible to resolve the situation without the administrators getting involved, the following formal steps will be taken:

1. Approach the coordinator with verbal information of the complaint (name, action, and date of occurrence (s)). The coordinator will then make the individual aware of action that needs to be taken, if any.
2. If there is sound (good) evidence of a problem, the program coordinator will informally investigate the situation or approach the person being complained about. If necessary, there will be an informal meeting between the coordinator, president, the person(s) involved with the complaint, and the individual who made the complaint.
3. If no satisfactory resolution is obtained, then the student may file a formal grievance (Formal Grievance Form is on the back of this handbook.) and submit it to the coordinator.
4. Within five days of receiving the formal grievance, the coordinator will set up a hearing (formal meeting) with the president, grievant, and those involved concerning the complaint.
5. A decision will then be made by the coordinator and president about what action, if any, should be taken. This decision will be based on federal law.
6. The grievant may appeal in writing by giving a report to the coordinator. The coordinator and president will then review the appeal and notify the grievant within five days.

IMMIGRATION

Working in the U.S.A.

Students attending English Language Schools are not allowed to work in the United States.

Breaks/Vacations for F-1 Students

ECI Policy regarding breaks and vacations is as follows:

- The student is eligible for vacations after attending 26 academic weeks.
- Students who have enrolled in ECI as transfer students have completed 26 academic weeks will be eligible for vacation after 4 sessions of studies at ECI.

Transferring

To transfer to another program, ECI requires the following steps to be taken:

1. The student applies to another school or language program.
2. The transfer-in school sends a transfer form to ECI English Language Program.
3. The program coordinator of ECI English Language Program fills out all of the information on the transfer form and faxes it back to the other program. The release date is also entered into SEVIS (reported to INS).
4. When the student has been accepted, s/he must make arrangements for transportation and housing if the program is out of state. The student will **not** be allowed to remain with ECI's host families. The student will have two days to move out of the house after the release date.

If the student does not wait to finish on the completion date of his/her I-20, the student will have 5 months to make the transfer. The 5 month period is only a bridge in case it is needed. The rule is that the student must start on the very next start date of the transfer-in school. If the time between the release date of the transfer-out school and start date of the transfer-in school is more than 5 months, then the student needs to return to his/her country and return later.

Cultural Activities -Field Trips -Student Organizations Evaluation of the Program and Instructors

Cultural Activities

ECI organizes cultural activities for the students every session. Students get a chance to

- visit museums,
- take part in community activities and organizations (Food Bank and other similar activities)
- visit other fun places that are typical for the American culture.
- ECI organizes and invites speakers from universities from the community to make sure students are familiarized with the higher education of the United States and state laws and regulations.

- Visiting universities and colleges
- Amusement parks
- State Fairs
- Visit entertainment venues (bowling, ice-skating, roller-skating etc.)
- Sport activities and sport games

ECI helps and encourages the students to organize their own student council. Student councils work closely with the administration, faculty and staff to make sure all the students' academic, personal, immigration, and cultural needs are fulfilled. This cooperation benefits the students and helps the Program grow.

Student Council

Students evaluate the teachers at the end of each session. This evaluation is very important so that the Program can see whether the instructional methods and skills of the instructors help the students with achieving the student learning outcomes. The evaluations are anonymous. The students have to be objective and sincere when completing the evaluation. The evaluations are read and analyzed by the Program/Academic coordinators and the President. Actions are taken accordingly.

Evaluation

Students also evaluate the Program at the end of each session. This is very important evaluation. ECI ELP is a student-oriented Program and the student's opinion about the Program is vital for Program improvement and growth. The evaluations are read and analyzed by the Program/Academic Coordinator, Student Services Coordinator, and the President. Actions are taken accordingly. The student also complete Survey every quarter.

Students also evaluate ECI ELP student admission process and the Student Orientation, as well as the Cultural Activities. The evaluations are read and analyzed by Admission Student/ Student Services Coordinator, Program/Academic Coordinator and President. Actions are taken accordingly.

ECI ELP Policy is clear when it comes to provide opportunities for students' academic achievements and cultural experiences: STUDENT NEEDS MUST BE FULLFILLED!

“Don't knock the weather. If it didn't change once in a while, nine out of ten people couldn't start a conversation.”

Fire Policy

Fire Policy

Both campuses of ECI follow the procedures of evacuation in case of fire according to the building directions respectively for each campus. The actions taken by staff and students in emergency FIRE situations will be prominently posted throughout ECI.

GENERAL PROCEDURE:

DISCOVERY OF FIRE:

1. Remain Calm!
2. Leave fire area immediately while shouting to alert people in your area
3. Close all doors behind you to confine the fire
4. Do not use elevators (if applicable)
5. Leave via closest exit and activate the nearest fire alarm pull station
6. Call the Fire Department by dialing 911 from a safe location
7. Meet at the designated meeting location (in the parking lot for both locations)
8. Do not return to the building until declared safe to do so by the Fire Department.

UPON HEARING THE FIRE ALARM:

1. Remain Calm
2. Before opening doors feel doors for heat
3. If door is hot stay in room, seal cracks around door and any vents, call 911 and proceed to a window to be seen
4. If door is not hot, open slowly, and if safe to do so leave building via nearest exit
5. If smoke is encountered upon exiting, stay low, use alternate exit, and if escape is not possible seek refuge in smoke free room, close the door, call 911 if possible and proceed to window to be seen.
6. Call the Fire Department by dialing 911 from a safe location.
7. Proceed to designated meeting area (in the parking lot for both locations)
8. Do not return to the building until declared safe to do so by the Fire Department.

Faculty Responsibilities

1. Help students evacuate in an orderly fashion through the appropriate exit.
2. Do not forget your keys.
3. Keep your grade/attendance book(s) with you during the process.
4. Once at the designated location count students. Take attendance. You are responsible for students assigned to you. If any students are missing please notify the Program Coordinator.

Evacuation Map

Evacuation Maps must be placed in locations throughout each campus.

Accountability Procedures

After leaving the building per the designated exits everyone should go to the front of the building at the meeting location (respectively for both campuses). Here the classes should group together to complete a roll check to confirm that everyone has left the building safely. The Program Coordinator or designated faculty member will report to the president the results of the student attendance check. The Education Coordinator will confirm that all administrative personnel safely evacuated the building and report results to the President.

CAUTIONS

- Use portable fire extinguishers only if safe to do so and only if trained in their use.
- If smoke is heavy in the corridor, it may be safer to stay in your area. Close door and attempt to seal the base of the door with a wide roll of tape or alternate method.
- Meet outside at a pre-determined location for both campuses.

Tornado Policy

Tornado Policy

Both campuses of ECI follow the weather alert procedures. Most tornadoes appear as funnel-shaped clouds, gray to black in color and extending from the base of a large thunderhead. Most major tornadoes approach from the southwest and move in a northeasterly direction and can travel at speeds of up to 45 miles per hour. They generate violently rotating columns of air with internal wind speeds of up to 300 miles per hour.

Because they can develop so quickly, with little or no warning, the tornado's unpredictability is perhaps its most dangerous characteristic. Thus people must be able to respond at a moment's notice. Many get confused trying to determine between a tornado watch and a tornado warning. A **watch** means there is potential for tornadoes because conditions in the area are favorable for tornadoes. A tornado **warning** is issued only after a tornado has been spotted on radar or has actually touched down.

Permanent buildings, houses, apartments, office buildings, etc. .

When a tornado strikes, people need to find shelter below or near ground level. They should also be sure to go to the central **interior section** of the building, underneath furniture if possible. People should also stay away from windows, doors, and electrical outlets.

It is very important for individuals to protect their heads and faces regardless of where they take cover. Battery operated radios and/or televisions should be kept handy to remain aware of conditions outside. Given their vulnerability to tornadoes and high winds, mobile homes, units, should be evacuated as soon as possible during severe weather. CEA Policies and Procedures Section 15: Complaints

15.1. Complaints against accredited programs and institutions

15.2. Investigation of complaints

15.1. Complaints against accredited programs and institutions

Accredited programs and institutions are expected to continue to meet the CEA Standards during the term of accreditation. A student, faculty or staff member, or any individual outside the program or institution who may have knowledge of an accredited program or institution's alleged failure to maintain the CEA Standards may file a complaint with CEA. In reviewing a complaint, CEA's policies intend to provide judicious review of the complainant's concern regarding compliance with the CEA Standards while ensuring due process for the site.

15.1.1. Notice requirements Each accredited program or institution is required to post the CEA Standards in a public place accessible to all students, faculty, staff, and the public. In addition, CEA requires the site to post the procedures for filing a complaint, which are provided by CEA. The document includes information on why a complaint may be filed, who may file, how to file, and how complaints are adjudicated.

15.1.2. Failure to report substantive change If an accredited program or institution is delinquent in reporting a substantive change, a complaint may be filed. Such complaints may be filed by anyone who believes the site has failed to report such a substantive change regardless of whether this change has resulted in non-compliance with the CEA Standards. Such complaints should explain how, in process or content, the program or institution has substantively changed since it was accredited, as well as the nature of any alleged failure to maintain the CEA Standards as a result of this change. Any available documents showing the changes should be included.

15.2. Investigation of complaints

15.2.1. Informal or undocumented complaints Upon receipt of an anonymous or undocumented complaint, the executive director will promptly provide a copy of the CEA complaints policy to the sender, if contact information is available. Depending on the nature of the complaint, the executive director may inform the site of the complaint and undertake investigation of the complaint through a written information request to the site against which the complaint is lodged. If the basis of the complaint warrants, the executive director will inform the Executive Committee, which will decide whether to advance the complaint to the Standards Compliance Committee for further action. The Standards Compliance Committee may act within the policies assigned in these Policies and Procedures. The executive director can initiate a special site visit based on information received by any means.

15.2.2. Formal complaints A formal complaint must be written, must refer to a specific standard(s), and must document the nature of the noncompliance. a. If the Executive Committee approves the recommendation for dismissal, with or without reporting requirements and/or recommendations, it will notify the program or institution and the complainant of the decision; the action is over. iii. Actions may include dismissal of the complaint with or without reporting requirements, or placing the site on warning with a time frame for taking specific corrective actions. iv.
