**Arrival Information**

All students will be greeted by a staff member from the ECI ELP and taken to the host family or to the apartment (if it has been arranged before the student’s arrival).

Students that have completed the Homestay Application need to arrive no earlier than the Friday before classes begin. If a student arrives earlier, s/he should plan to stay in a hotel. ECI ELP staff will help with the hotel arrangements. Students who plan to stay in an apartment or hotel should communicate with ECI ELP as to when they plan to arrive. ECI ELP staff will help with the arrangements and setting in to the students who plan to stay in campus dormitories.

Students who have not requested Homestay must report to ECI office within 48 hours after their arrival in the United States to register with the program.

During the registration, the student will be administered a placement test. The student will have orientation on the first day of classes. This day is also organized to help the students get to know the teachers, administrators, and other students.

**Banking and Payments**

A student that is going to be enrolled for more than one session might want to consider opening a bank account. A staff member will take students to open accounts during the first week of classes. It is a good idea for students to arrive with enough money in traveler’s checks for the expenses of the first month (spending money, book money, etc.).

Upon the beginning of the session, the student is responsible for paying the tuition fee for that session. The payment options can be Cashier’s Check or Money Order or wire transfer. The students that are on scholarship need to secure their financial guarantees before or upon starting the session of studies.

**I have read the information of this application and the Student Handbook, and I agree to all of the regulations and policies thus I understand that breaking and violating the rules of the Program and/or Immigration Regulations can result in expulsion of the Program and in some cases deportation.
